## *Hummingbirds Don't Fly In The Rain*

### **A MOTHER'S EXTRAORDINARY SEARCH FOR HER DAUGHTER IN THIS LIFE AND THE NEXT**

**The story that grabbed international headlines is revealed in a new memoir**—A mother's heartbreaking journey from the loss of a child to finding ultimate peace, love and healing- **a perfect gift for those that have lost a loved one and are struggling with that loss during the holiday season.**

Having a child die is tragic. *But having them die during the holidays adds another level of grief to the mix.* But what if that grief and pain can be replaced with joy and happiness?

In Klein's newly released book, *Hummingbirds Don't Fly in the Rain*, Klein reveals how she overcame her grief and pain with the help of her daughter, Talia!

On December 23, 2007, the plane carrying author Kim Klein's only child, Talia, her ex-husband, wealthy hedge fund manager Michael Klein, and her daughter's best friend crashed into the side of a volcano in Panama. The tragic story was followed worldwide as the search for the plane and its occupants spanned nearly three days.

*Hummingbirds Don't Fly In The Rain*, not only chronicles the suspense-filled journey that begins the moment Klein receives the phone call announcing her daughter's plane is missing, but she also shares fascinating details about her relationship with her wealthy ex-husband, her conscious raising of Talia, and the aftermath of the accident once back in the US. But not all is tragic. Along with the painful events that surround Klein with the death of her only child, Klein also reveals how she overcame her grief and pain. It starts while she is lying in agony after receiving the news of her daughter's death. She suddenly feels a pressure around her left wrist and realizes that Talia is trying to communicate with her!

Talia's afterlife communications continued and expanded, from messages meant to help her mom, to messages of love, joy, change and hope meant to heal and bring peace and joy to others that have lost loved ones, and ultimately to the world.

***Hummingbirds Don't Fly in the Rain* reads like a suspense thriller, yet every word is true! It will bring peace to anyone who has lost a loved one and is trying to deal with that loss, especially during the holiday season.**
